5. [Psychology](#)
6. [Sociology](#)

Southwest Baptist University is a faith-based institution of higher education who pursues an integrated approach to faith and learning. In all SBU courses, students are provided with multiple perspectives, including a Christian worldview. Some SBU online dual credit courses are being offered in a public school environment. In that context, students are given the opportunity to respond to faith-based questions or to non-faith based questions.

Geography

Mathematics

[Return to top](#)

MAT 1143 College Algebra, Dr. Kevin Hopkins - 3 Hours

This course explores the use of algebra in the real world. This exploration takes place by examining the concept of function. Conceptual understanding of linear, exponential, logarithmic, quadratic, and other polynomial functions is grounded in the collection and statistical analysis of real world data. Functions will be used to solve real world problems using modeling techniques. The concept of function is also explored in detail using analytic geometry. This course includes recorded class lectures. Prerequisite: Must have an 20 on the math portion of the ACT.

Textbook: Explorations in College Algebra (2011), 5th edition, Linda Almgren Kime, Judith Clark, and Beverly Michael published by Wiley. ISBN: 978-0-470-46644-5.

Psychology

[Return to top](#)
