It is intended for the student needing additional algebra and/or trigonometry skills to enable success in MAT 1195 (Calculus) or MAT/BUS 1193 (Business Calculus). Prerequisite: Satisfactory scores on the prealgebra and intermediate algebra portions of the enhanced ACT Examination, a minimum of B in MAT 2283, or a minimum grade of C in MAT 1143 or its equivalent.

Textbooks: PreCalculus online uses ALEKS to offer all instruction. A short student intro video to ALEKS is available at https://www.aleks.com/video/student_tour to demonstrate a bit of how

the program works. The SBU course instructor has customized the course topics, set the schedule for the course, set the exams for the chapters, monitors student progress in the course, answers questions as they arise, and regrades exams for partial credit. A subscription will need to be purchased to allow students to access the course within ALEKS, although a free trial mode (48 hours) is available should a student want to test out the system to make sure its method of presenting material will prove helpful to the student. Info on the free trial is available at https://www.aleks.com/independent/students/getting_started. Questions? Contact Dr. Hopkins at khopkins@sbuniv.edu
